The seventy-third reunion of the Wilson-Thompson Families was held on Sept. 14, 1963 at the Jericho Valley Community Center. There were fifty-seven members of the family attending.

Tables were set banquet-style inside the Community Center because of cooler weather, and a delicious picnic was enjoyed. The business meeting was held immediately thereafter.

Stanley Miller, President opened the meeting and the secretary read the minutes from last year. Jane Antrobus read the treasurer's report.

Discussion centered around completion of the genealogy book. Mrs. Alice Miller gave a review of estimated cost. It was voted to get another estimate. A card to each member asking the number of books interested in and payment of same is to be mailed, then the book to be printed, in saddle-stitch.

New officers were elected:

Harry C. Thompson, President
Alvin Worthington, Vice President
Jessica Mc Clellan, Secretary
Ruth Purcell, Asst. Secretary

The "Antique Table" holding family relics was a great success and extremely interesting.

The 74th reunion is to be held, same place and same time.

Ella R. Thompson won the prize for eldest member attending (76 yrs old), Mary Worthington came the longest distance and Connie Thompson had 4 children present.

Ann Thompson had games for the children, which they thoroughly enjoyed.

The meeting was adjourned.
